Dear Ms. Fournier,

Please accept this preliminary, non-binding Letter of Intent to apply as an Integrated Delivery Network (IDN) for North Country. Indian Stream Health Center (ISHC) is a Federally Qualified Health Center serving 850 square miles including sixteen towns in New Hampshire. Providing the majority of primary health care in our service area, ISHC has an integrated model of medical, mental health, substance misuse, and pharmacy services under one roof.

Preliminary, non-binding, IDN Partnering Providers List

Preliminary conversations regarding the development of an integrated delivery network have occurred with the following partners who serve Medicaid participants in Northern Coos County.

Current partnerships between the following participants exist through projects such as: Medicare Shared Savings Program Accountable Care Organization, Office of Substance Abuse and Mental Health Services Administration's Project AWARE (Advancing Wellness and Resilience in Education), and other direct contractual agreements.

- Upper Connecticut Valley Hospital (*Critical Access Hospital*)
- Northern Human Services (*Regional Community Mental Health Center*)
- Coos Country Nursing Home
- School Administrative Unit #7
- North Country Health Consortium (*Public Health Organization / Area Health Education Center*)

Please do not hesitate to contact Indian Stream Health Center for additional information.

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan W. Brown".
